NRIC / PASSPORT NUMBER COLLECTION POLICY

As you may be aware, the Personal Data Protection Commission has issued guidelines in respect of the collection of information for NRIC and other national identification information, including passport numbers. These guidelines come into effect on 1 September 2019.

During the registration renewal process, you will only be required to provide your NRIC or passport number if this has changed. Collection of your NRIC or passport number is necessary for the MRA to accurately establish and verify the identity of its licensees to a high degree of fidelity.

3 Please be assured that we have in place proper measures to safeguard your personal data and will continue to comply with the requirements of the Personal Data Protection Act.
